Who Doesn't Know . . .

. . . the good-natured woman with the winning smile?

Who doesn't know the woman who has sound advice on every subject from academic problems to the latest romance?

Who doesn't know the woman with the tremendous TROJAN spirit?

Who doesn't know the woman who voluntarily gives so much of her time to the Junior-Senior Banquet, to directing the Junior Play, and sponsoring our annual?

Who hasn't heard the familiar cry . . . "Mrs. Bennett, Mrs. Bennett, Come to the Office, please!"

It is to you Mrs. Bennett, that we proudly dedicate the 1968 TROJAN and say thank you for your hard work and dedication.

. . . Mrs. Jane Bennett

ADMINISTRATION

Our Principal . . . Mr. Gary

Robert Blain Gary,

New Hope's principal for the past four years, has taken a vital interest in the growth of our school and in the community. He has participated in the many activities of the school, always striving to open the doors of opportunity for the boys and girls so that their lives may be enriched.

"It is my wish that each student who attends New Hope will be a better person when he leaves than he was when he came."

In Memoriam

"These honored dead . . .

Words cannot express the love and admiration we have for these New Hope graduates who died in the service of their country in Vietnam.

Bobby Clark
Class of 1965

It is for us the living, rather, to be dedicated here to the unfinished work which they who fought here have thus far so nobly advanced. It is rather for us to be here dedicated to the great task remaining before us--that from these honored dead we take increased devotion to that cause for which they gave the last full measure of devotion--that we here highly resolve that these dead shall not have died in vain---

Alma Mater

Hail dear old New Hope School

We bring you hearty greetings,

Gladly on her royal sway

As we now are meeting.

Kindly she has found for us

Paths to wisdom, dearest treasures

Shares rewards, all glorious

Lavish in their measures.

Honor bring we to our school

Mother Queen and precious friends

Here's to wise and kindly rule

May it never, never end.

We are part of all her fame

Sharing with her in her story.

Let us praise her gracious name

Adding to her wondrous glory.

Honor we must bring unto her

Thus our debt of Love repaying

Let this thought our spirit stir

When afar we're straying.
